Attn.: Ing. Ivan Kotek

Dear Mr Kotek,

We wish to thank you for your impressive presentation of selected, well prepared Czech manufacturers, some of whose products we found very relevant for UNICEF's use.

As mentioned, and beyond the selected manufacturers we were introduced to during our meeting, we would like to explore further:

- Water tanks, water containers, water treatment units (technical data sheet, etc.)
- Manufacturers of pharmaceutical products (WHO approved)
- Manufacturers of hospital furniture and basic anaesthesia equipment

We, on our side, will initiate the registration of the relevant Czech manufacturers in our supplier database and will be pleased to include these in our competitive bidding activity as soon as the occasion arises.

Yours sincerely,

Sig Monsted
